

Set yourself free

Of course you want your media jobs done better, faster, and at lower rates. But are you finding yourself having to run faster and in more directions than ever to accomplish those goals?

Perhaps it's time to reevaluate. Can you streamline your media needs? Take advantage of one source? One stop? One payment? One fully equipped provider for your entire range of graphics projects? Can you go in one direction instead of 100, yet still have your 100 projects handled with the utmost care? On state-of-the-art equipment? By a company with a 15-year record of professionalism?

you *can*—at Costill Graphics.

Scanning, film output, short-run digital printing, large format printing, web services, graphic design, and more. Rush services. Free pickup and delivery. It's your time we're committed to saving, your to-do list we pledge to reduce.

Take a look. Consider the benefits. Then set yourself free—with Costill Graphics.

Costill Graphics introduces a convenient new twist for your photo scanning jobs. Forget bringing your own ZIP disk or CD for each job. Instead, we'll scan your images and place them on a non-rewritable Costill CD with your job name imprinted on it for archiving ease. It's fast, convenient and free.
